New Business

- **Rule of two**
 - Clarification in regards to the rule, Hockey Canada requirements state that (2) screened individuals be present at all times in an open observable environment. Our association could be looked in on at any time to ensure we are making every effort to adhere to this policy. With regards to our own bench staff, could include having two Trainers on our roster in case one had to leave with an injured player. Our Coaches (level 2) should be the first one in the change room and the last to leave
- **Referees, Head Coach Communication**
 - Referees will only speak with Head Coaches (not Assistant or Trainer) post game
 - Reminder that if an Assistant Coach receives a suspension, Head Coach is also suspended
